Related Experience

April 2021 - Youth Infringement & Algonquin College Performing Arts Show .

A variety show featuring the many talents of the Algonquin College Performing Arts Program that streamed live on Youtube. This had live scenes, dances and songs as well as pre-recorded videos all done by the students of the program.

July 2019 - August 2019 - Odyssey Theatre Youth Apprenticeship.

The experience of being a youth apprentice with Odyssey Theatre for the show "The Bonds of Interest". As well as gaining insight into outdoor theatre, I participated in workshops to improve techniques and skills. I learnt more about Commedia dell'Arte and was involved in a mixture of both onstage and offstage work.

September 2019 - February 2020 - Woodroffe High School's Production of "Seussical" as Yertle the Turtle / Who . My last musical with Woodroffe High School gave me the opportunity to play multiple roles to not just have solo moments in the show but also lots of teamwork as part of the ensemble.

September 2018 - December 2018 - Woodroffe High School's Production of "Chicago: High School Edition" as Clerk. The sassy role of the Clerk was a small but fun role I got to play in the musical. This show especially helped me find my spot on stage as it was such a good time that it got my name mentioned in the article about the show.

September 2017 - March 2018 - Woodroffe High School's Production of "Pajama Game" as Charlene / Ruby. My first ever musical that was full of ups and downs but taught me the basics of being in an ensemble.

September 2017 - February 2020 - Woodroffe High School's Improv Team.

The team practiced multiple times a week, helping everyone grow their teamwork skills even with just silence. Learning how to communicate and work as a team helped us improve each of our own abilities. Improv also first taught me and lots of others about stage presence.

October 2016 - Incident at the Bunker - Haunted Walks Ottawa - Patient Zero / Medical Room
Zombie Volunteers for the tour were dressed and acting out roles of zombies starting in the Medical Room to build tension for the later storyline and scares as guests were taken through the Diefenbunker by a Haunted Walks guide.

2010 - Current - Society for Creative Anachronism Regularly, at local events, I participated in the medieval reenactment. This included taking part in historically accurate activities and arts.
